

ENROLLMENT POLICY

A student's place for the 2026–2027 school year (beginning August 3, 2026) is secured upon submission of a signed enrollment contract and completed enrollment packet. Enrollment is only considered final once all required forms, administrative fees, and the official contract have been received and processed by the school. Tuition and fee installments begin on March 15, 2026. Families wishing to defer enrollment may either continue monthly payments to retain their child's place or opt to be placed on a waitlist for a future opening.

PAYMENT OUTLINE

Collage Day School uses FACTS Management as our only form of accepting monthly tuition payments. There are two payment options available: major credit cards or auto drafts from your bank or credit union.

- Early Learning Community payments are scheduled on the 1st of the current month
- Elementary School tuition payments are scheduled on the 1st of the previous month
- Extended Care & Optional costs to be paid on the 1st of the month

Monthly tuition is based on ANNUAL cost of the educational program, based on actual days open for the school calendar year. The annual cost is based on 12-months for Early Learning and 180-Instructional Days for Elementary School.

Additional costs include textbooks & uniforms (required) for 3 years up.

OPTIONAL CHILD CARE

Optional Care Days and Teacher Planning Days are non-instructional days for Early Learning. On select days when Early Learning is closed, families may opt into childcare programming, offered from 8:00 AM to 4:00 PM. The cost is \$50 per day, plus any applicable event admission fees. Sign-up opportunities will be shared throughout the school year—please refer to the school calendar for details.

Childcare on these days is included for children enrolled in the Early Learning Community (3–36 months).

Drop-in care is available at \$50 per day with a minimum of 24 hours' notice.

FINANCIAL ASSISTANCE

All families are strongly encouraged to apply for a scholarship from Step Up for Students. These scholarships on average will cover nearly \$8,000 worth of family tuition expenses per child each year. To learn more and apply online, visit www.stepupforstudents.org. Families currently receiving SUFS scholarships are required to annually re-enroll in the program. Collage Day School does not want the cost of attendance preventing families from applying and enrolling. If additional assistance is needed, please apply for additional financial aide through FACTS Grant & Aide <https://online.factsmgt.com/aid>. This application will require you to provide financial documentation and any financial assistance is not guaranteed.
