

2025-2026 Sponsorship Levels

The mission of the CDS Parent Community Alliance is to foster a collaborative network of parents and staff dedicated to enhancing the educational experience for every student. We are committed to enriching our campus environment, supporting academic excellence, and promoting holistic development through active involvement, open communication, and shared resources. By raising funds for campus enhancements, we strive to create a nurturing and inspiring atmosphere that empowers our children to reach their full potential and prepares them for a bright future.
